How to find us

From M 27 (west)

Take junction 1 towards Cadnam, from there take the 3rd exit for Brook, at the fork in the road bear left, follow the road down through the ford and we are located on the left.

Alternatively, follow the M27 down onto the A31, follow the road up the hill and round to the right, approximately 300 yards further on is a turning on the right, wait for a clear and safe gap in the traffic and make the U-turn. Stay in the far-left hand lane and follow the road as it turns left, from here come over a cattle grid and follow the road down, we are 500 yards down this road on the right.

There is plenty of car parking space to accommodate your vehicles.
